CARE PACKAGES & DROP OFF TABLE

See the next page for details

WINDOW VISITS

We will not be conducting window visits at the current time

VACCINE

Fraser Health is planning to set up an immunization clinic on site in partnership with us by mid-January. We have not yet been notified of a date.

However, we are making preparations by obtaining verbal informed consents from residents or their substitute decision-maker which will be documented for Fraser Health

We are a confirmed outbreak as declared by the Medical Health Officer. We are following all recommended guidelines. Please be assured that if this directly impacted your loved one we will notify you directly

All visitation is cancelled

Families are being emailed The Morgan Place Outbreak updates. If you are not on the email list and would like to be added, please email Stacy or Eleanor (address below) and we will make sure to add you

Please email us directly:

stacy.merrells@morganplace.ca

Care Packages for Drop off Table

Hours 9-2

Monday – Sunday

Things to consider for your drop off

1. No food that requires refrigeration. Packaged or homemade cookies or snacks in small quantities only. Please note our staff are busy right now and may not have time to assist with these. Please only send if it is appropriate for your loved ones diet and they have the ability to manage it independently
2. Be mindful of resident's needs, at this time we are not wanting to add a lot of clutter to the residents rooms to help with the enhanced cleaning our housekeepers are doing
3. We promise your items will be delivered, we cannot answer follow-up phone calls to search for items

**IF DELIVERIES ARE DROPPED OFF OUTSIDE THIS
TIME FRAME, WE ARE NOT RESPONSIBLE IF THE
ITEMS GO MISSING**
