

January 6, 2022

Family and Friends of Morgan Place,

At this time Morgan Place will **NOT** be allowing any visitors to enter the building due to positive Covid-19 cases. This includes the designated social visitor.

We are currently awaiting further information from Fraser Health and will update the web page as it becomes available.

The drop-off table is outside the front doors if anyone is looking to leave a package or item for a resident. Please make sure the package is clearly marked with the residents name and unit. The recreation team will deliver packages as time allows.

If you have further questions regarding visitation you can email:

eleanor.burns@morganplace.ca

stacy.merrells@morganplace.ca
