Morgan Place News

Water is your best defense against heat exhaustion!

Heat exhaustion can cause anxiety, confusion, body temperature to rise, fatigue and headaches.

"There's plenty of water in the universe without life, but nowhere is there life without water."

- Sylvia A. Earle

OUR FAVORITE MONTH

It is Morgan Place's 21st Anniversary! We have had an adventurous and fun few weeks planning this event. We hope everyone will follow the yellow brick road to the Emerald City in the Bowden dining room. We will be entering the wonderful Land of Oz with Dorothy, Scarecrow, Tin Man, Lion, Toto and all the rest of the gang on Wednesday June 8th at 2:30pm. The Suede Dogs will be entertaining at this event.

Father's Day is an important day and we want to make all our men feel special and cared for. Classic Rewind will be performing at this event on Sunday June 19th at 2:30pm.

Our Morgan Place courtyard finally shows signs of summer and we hope you enjoy the space with your family. There are a few shaded areas to sit but if you enjoy the direct sun then make sure to bring a hat and keep hydrated! We are all looking forward to summer days and forgetting about the wet spring. Let's enjoy the sun!!

Eleanor & Stacy

The Recreation Department is looking for a few items:

- Sun hats and ball caps for residents to use in the courtyard
- Dominos tile game
- Mason jars

Donations are appreciated new or used!

Thank you for your continued support!

Thursday June 30th

6:30pm with Vinyl

WEAR RED!

*

THIS & THAT

Dining room chairs: Please do not take the dining room chairs outside into the courtyard. There are many outside patio chairs and benches available.

Pets: We enjoy seeing our four-legged friends come to visit but please remember that all dogs must be on a short leash while in the facility.

Sun hats: Please feel free to borrow a sun hat. Ask any Recreation staff.

Pond: The Pond is not a playground for children. For safety reasons we don't want children playing on the rocks. Please encourage them to enjoy the playhouse or the grass areas.

Partner with the staff in assisting in hydration for residents. When you are visiting bring in water or a cold beverage and ensure that the resident drink it.

We are looking forward to the new pond in the courtyard.

It has always been such a focal point and residents and families have enjoyed sitting outside and watching the fish.

Be patient with us while the pond is under construction.
